ACTIVITES

Candlelighters For Children With Cancer

Hosts family and teen activities virtually and throughout Oregon and SW Washington.

A Kid Again

Provides year-round, cost-free events to help bring smiles to the faces of kids with life threatening conditions, their siblings, and their parents.

American Childhood Cancer Organization

Offers free resources and activities that can be shipped to families, as well as online resources and support.

Chelsea Hicks Foundation

Provides a rolling dress-up closet and monthly dress-up parties for seriously ill children in Doernbecher and Randall.

CHAP: Children's Healing Art Project

Programs include hospital programs that provide free art activities for hospitalized children, as well as Art Club programs offered in person in the studio and via Zoom.

ClubNEGU

Provides Joy Jars, plush buddies, gift boxes, and care cards to children diagnosed with cancer and their family members.

Activities Cont.

Embrace Compassion

Offers a fun farm experience in Sherwood, OR for children in treatment and their siblings.

JoyRx

A website where children can find joy through music by listening to music, taking virtual music lessons, and playing music-themed games.

Kids & Art

Uses the power of the arts and creativity to mitigate stress, anxiety, and trauma induced from diagnosis and treatment of pediatric cancer by providing art kits, online art workshops, and a weekly drop-in art room via Zoom.

The Light Collective

Provides online interactive experiences and connection for the whole family through their Matchbox program.

LtP Foundation

Offers events, birthday parties, and experiences for kids and families facing pediatric cancer.

Pile of Puppies

Brings joy to chronically and terminally ill children and their families by surrounding them with a pile of puppies.

Well Beings Studio

Art-based resources, experiences, and activities to open communication and support emotional well-being in families impacted by cancer, including stories, music, poetry, art workshops, podcasts, meditation, and more.

Aftercare & Survivorship

Doernbecher Cancer Survivorship Program

Provides multidisciplinary, holistic support to survivors of childhood cancer.

Legacy Health KITE Clinic

Provides personalized services addressing physical, mental, and emotional health to help childhood cancer survivors and their families thrive.

Leukemia & Lymphoma Society

Offers a survivorship workbook with care plan worksheets, long-term and late effects information, healthy behavior recommendations, mental health exercises and information, and resources for planning for the future. Also lists additional resources for survivorship.

National Cancer Institute

Offers insight into care for childhood cancer survivors, including follow-up care, long term and late effects, and questions to ask your child's cancer treatment team.

The National Children's Cancer Society

Prepares survivors and their families for life after cancer, including information on treatment late effects, survivorship conferences, and college scholarships.

Together

Provides resources for life after pediatric cancer, including information on survivorship care plans and personal health advocacy, long-term and late effects, healthy living, school and work, emotional well-being, and other post-treatment topics.

Camps

Camp Agape Portland

A free, week-long family residential camp for cancer-afflicted children (ages 1–17) and their families.

Camp Goodtimes

A week-long summer camp for eligible children in Washington (ages 8–17) who are or have been personally impacted by pediatric cancer.

Camp Millennium

A free, week-long summer camp for children ages 5–16 dealing with a cancer diagnosis.

UKANDU

Programs include Camp UKANDU (a week-long camp for children with cancer), UKANDU Teen Retreat (a weekend retreat for teens), UKANDU Family Camp (a program for the whole family), UKANDU Corps (a volunteer program for ages 12–16 that brings together youth with cancer and youth without cancer), and UKANDU Family Reunion (a one-day event for families who have previously attended UKANDU programs).

Disease Specific

American Association for Pediatric Ophthalmology and Strabismus

Provides a doctor search, information about childhood eye disorders, and additional resources. Available in Spanish and Chinese.

American Brain Tumor Association

Provide free services including publications about brain tumors, support group lists, caregiver resources, clinical trial connections, and online support

Band of Parents

Support network for families of children diagnosed with neuroblastoma.

Brain Tumor Network

Offers pediatric navigation services dedicated to meeting you and your child's needs through education, support, and empowerment for you to participate in shared decision-making with your child's care team.

Children's Brain Tumor Foundation

Support programs, art programs, bereavement support, treatment information, scholarships, events, and other resources for families battling pediatric brain tumors.

Children's Leukemia Research Association

Supports a patient aid program to help pay for leukemia medication not covered by insurance. This site also has information and resources about diagnosis and treatment.

Children's Neuroblastoma Cancer Foundation

Information and resources about neuroblastoma, from newly diagnosed and in treatment to post-treatment.

Children's Tumor Foundation

Focuses on neurofibromatosis (NF) providing resources for what to do after diagnosis, how to join the NF registry and engage in research efforts, as well as finding a specialized doctor.

Disease Specific Cont.

Cure ATRT Now

Information and resources for atypical teratoid rhabdoid tumors.

The Hepatoblastoma Resource Network

A consolidated resource for families dealing with hepatoblastoma, including information on treatment, hospital resources, financial and family support, and other hepatoblastoma foundations.

Leukemia & Lymphoma Society

Resources include information specialists available for one-on-one conversations, an online community, online chats, peer-to-peer support, a podcast, one-on-one nutrition consultations, support groups, financial support, a suggested reading list, and more.

Levi's Legacy DIPG Foundation

Provides support for children diagnosed with diffuse intrinsic pontine glioma or other brain tumors and their families through financial assistance and goodie bags.

Neuroblastoma Children's Cancer Society

Provides a handbook containing relevant information as well as helpful links to additional resources and a NCCS newsletter

Neuroblastoma Society

Offers downloadable booklets for parents, as well as general information and treatment options.

Northwest Sarcoma Foundation

Provides financial assistance, online peer support groups, and care packages for sarcoma patients.

Pediatric Brain Tumor Foundation

Resources include virtual support groups, toolkits for newly diagnosed families, digital care packages, peer-to-peer mentoring, animated short films to explain cancer topics to kids, information on clinical trials, and more.

Financial Assistance

Candlelighters for Children with Cancer

Provides emergency financial assistance to families with children currently in treatment, holiday gift sponsorship programs, and college scholarships for young adults who have been diagnosed with cancer.

Alex's Lemonade Stand Foundation for Childhood Cancer

Offers funding for transportation and lodging for eligible families who are financially burdened by traveling away from their home hospital for care that is only available elsewhere.

Andrews Helpful Hands

Financial assistance while going through bone marrow transplants

Arms Wide Open

Provides monthly grants to families suffering hardship due to their child's cancer diagnosis.

The B+ Foundation

Offers a family assistance program to provide money to qualified families for expenses that are attributed to their child's cancer diagnosis.

CancerCare Co-Payment Assistance Foundation

Helps those battling cancer overcome financial access and treatment barriers by assisting with co-payments for prescribed treatments of certain diagnoses.

Cancer Financial Assistance Coalition

A coalition of organizations helping cancer patients manage their financial challenges. CFAC provides a searchable database of financial resources.

Financial Assistance Cont.

CAN Cancer: Community Assistance for Neighbors with Cancer

Helps with non-medical living expenses for residents of Central Oregon, Harney County, Lincoln County, or Willamette Valley.

Children's Leukemia Research Association

Offers a patient aid program as a co-pay assistance program for reimbursement of certain leukemia/blood cancer-related medical bills.

Darian's Gift

Provides financial assistance for families in the Salem area going through pediatric cancer treatment.

Endure to Cure

Offers a travel assistance program to help families with travel costs associated with their child's cancer treatment.

Ethan Jostad Foundation for Childhood Cancer

Helps families in Oregon who are facing childhood cancer and in need of financial and family assistance.

Family Reach

Offers support services to help families overcome the financial side effects of a cancer diagnosis, providing financial education, resource navigation, financial coaching, and emergency relief.

Final Farewell

Helps families provide an affordable funeral for a loved child. Offers advice and guidance in addition to financial assistance.

Glen Garcelon Foundation

For brain tumor patients only. Accessible once every two year. Family may submit application, which requires signature from social worker.

Financial Assistance Cont.

HealthWell Foundation

Offers help with co-pays, premiums, deductibles, and out-of-pocket expenses for supplies, supplements, surgeries, and more for specific diseases.

Iron Matt

Grant support for any patient with a brain tumor under the age of 21. Application must be submitted by a social worker and will only pay a third party.

Kyla McCullough Gift Fund

Provides direct financial support, via grants, to families of children living with cancer.

Leukemia & Lymphoma Society

Offers various financial aid and assistance programs to help individuals with blood cancer, including an urgent need program and assistance with prescription drug costs.

Levi's Legacy DIPG Foundation

Offers a family financial assistance program to help with special trips or wishes, paying bills, providing meals, and more.

Live Like Bella Childhood Cancer Foundation

Assists eligible families with financial support for medical copays, basic needs, memorial costs, and more

LtP Foundation

Gives financial aid to families, via grants, to cover medical bills, supplement lost wages from treatment-related work disruptions, or be used however the family sees fit.

National Children's Cancer Society

Provides financial assistance through a transportation assistance fund and an emergency assistance fund for families who have a child with cancer.

Nick Wilson Charitable Group

Provides compassionate and immediate financial support to children, teens, and their families undergoing cancer treatment and bone marrow transplantation at Doernbecher Children's Hospital.

Financial Assistance Cont.

Northwest Sarcoma Foundation

Provides grants to pediatric sarcoma patients currently undergoing treatment in Oregon and Washington.

The Pediatric Foundation

Provides direct financial support to Central Oregon families who have a child with cancer and must travel long distances to receive treatments.

Pinky Swear Foundation

Provides financial support to ease the financial impact of cancer, including help with rent and mortgages, car payments and insurance, groceries, gas, and more.

SAMFund

Social Security Disability

If your child will be receiving chemotherapy for one year, it may be beneficial to apply for a short term disability. Each patient must qualify medically and financially.

Sparrow Clubs

Sponsors families of children diagnosed with a serious medical condition, to provide financial and emotional support.

St. Baldrick's Foundation

Team Campbell Foundation

Offers an assistance program to provide enrichment opportunities for a family facing childhood cancer—such as a family outing or special event—or to help relieve some of the financial burden associated with treatment.

United Healthcare Children's Foundation

Offers medical grants for families who meet eligibility requirements.

Willamette Valley Cancer Foundation

Provides financial assistance to cancer patients and their families living in Lincoln, Tillamook, and Yamhill counties.

Grief & Bereavement Support by Location

Statewide Oregon & SW Washington

Candlelighters For Children With Cancer

Online monthly support groups for bereaved families, two in-person annual events to honor children, and financial assistance to those who are newly bereaved.

Arms Wide Open

Healing bereavement retreats and online workshops for families who have lost a child to cancer.

GriefShare

Seminars and support groups led by people who understand the loss of a loved one.

OHSU Grief Resources

PDF compilation of resources for Oregon families coping with a child's death.

Team Campbell Foundation

Bereaved parent trips to help couples reconnect and heal after the loss of a child.

Portland

Embrace Compassion

Volunteer days for bereaved parents to come together and heal while working on projects benefitting children with cancer and their families.

Dougy Center

Grief resources, toolkits, and support for children and their families.

Providence Grief Support Groups

Grief support groups, individualized support, and classes for children and adults.

Legacy Health Grief Support and Bereavement Services

Grief education, support groups and classes, and short-term supportive grief counseling for adults and children.

Oregon Hospice: In This Together

Support group for children, teens, and families who have experienced the death of someone close to them.

The Compassionate Friends: Portland Chapter

Grief support for children, adults, and families who have lost a child.

Kaiser Permanente Drop-In Grief Support Groups

Ongoing, online drop-in support groups for people who have lost a loved one.

Camp Erin Portland

Bereavement camp designed for children and teens ages 6–17 who have experienced the death of someone close to them.

Mid-Willamette Valley

Albany: Samaritan Health Services Grief Education & Support

Virtual grief support groups for adults.

Corvallis: Lumina Hospice Grief & Loss

Grief support programs, counseling, and groups for children and adults.

Eugene: PeaceHealth Bereavement Services

Grief support for children and adults, provided through Cottage Grove Community Medical Center.

Salem: Willamette Vital Health Grief Support

Bereavement support groups and workshops for adults, children, and families.

Sandy: Mt. Hood Hospice Support Groups

Support groups and bereavement education for families and friends who have experienced loss.

Central Oregon

Bend: Partners in Care Grief Support

Grief programs and support groups for adults who have lost a loved one.

Bend: Camp Courage

Bereavement summer camp for children who have experienced loss.

Bend: The Compassionate Friends: Central Oregon Chapter

Grief support for children, adults, and families who have lost a child.

Eastern Oregon

Pendleton: Cason's Place Grief Support

Grief support groups, local bereavement support, and resources for children and adult parents and caregivers.

Southern Oregon

Klamath Falls: Klamath Hospice Grief Support Services

Support groups and individual support for those dealing with loss.

Klamath Falls: Camp Evergreen

Youth grief camp for bereaved children ages 8–16.

Medford: WinterSpring Center for Grief & Loss

Grief support groups, resources, and education for children, youth, and adults.

Medford: Southern Oregon Friends of Hospice Grief Resources

Resources and guidance for navigating grief, as well as local bereavement programs.

Roseburg: The Compassionate Friends: Roseburg Chapter

Grief support for children, adults, and families who have lost a child.

Coastal Oregon

Coos Bay: The Compassionate Friends: Coos County

Chapter Grief support for children, adults, and families who have lost a child.

Newport: Samaritan Health Services Grief Education & Support

Virtual grief support groups for adults.

Grief Camps

Camp Amanda (Walla Walla, WA)

Weekend camp for children ages 8-14.

Camp Erin (Portland, OR)

Youth overnight camp and family day camp.

Camp Mighty Oaks (Salem, OR)

Wild Grief (Olympia, WA)

For youth and families.

Informational Guides

Alex's Lemonade Stand Foundation for Childhood Cancer

Offers free guides, in PDF or book format, featuring clear explanations of the various types of childhood cancer, descriptions of treatments, emotional support for every family member, access to helpful resources, and more.

Children's Oncology Group

A family handbook, compiled by oncology professionals, that offers information on when to call for help, the hospital, cancer, tests and procedures, clinical trials, treatment and effects, caring for your child and family, and after treatment ends. Also available in Spanish and French.

Courageous Parents Network

Information for families of children with a serious illness, including resources on medical interventions, shared decision making, advocating for your child, coping, advance care planning, and grief and bereavement.

National Cancer Institute

A guide for parents of children with cancer, including sections on diagnosis information, treatment information, support, life after cancer, and resources.

St. Jude Children's Research Hospital

Educational resources and materials for pediatric cancer patients and their families.

Latino Families

For Latino families going through a pediatric cancer diagnosis, Candlelighters offers specific support to better serve a range of needs in a culturally appropriate way. Throughout the year, we offer family activities such as bowling, a summer picnic, lunch and loteria, and other family activities as a way for Latino families to meet one another and form strong bonds as they deal with their pediatric cancer journey.

Oregon Latino Health Coalition

Familias en Acción

Lodging

Alex's Lemonade Stand Foundation for Childhood Cancer

Offers a travel program that includes funding for transportation and lodging for eligible families who are financially burdened by traveling away from their home hospital for care that is only available elsewhere.

American Cancer Society

Offers more than 30 Hope Lodge locations throughout the United States to provide cancer patients and their caregivers a free place to stay when their best hope for effective treatment may be in another city.

Believe in Tomorrow Children's Foundation

Provides exceptional hospital and respite housing services to critically ill children and their families. Our unique programs bring comfort, hope, and joy to children and their families, enabling them to renew their spirits mentally and physically.

Joe's House

A nonprofit organization that helps cancer patients and their families find a place to stay when traveling away from home for medical treatment.

Leukemia & Lymphoma Society

Offers a travel assistance program to blood cancer patients with significant financial need to cover the cost of treatment-related travel and lodging expenses for the patient and caregiver.

The National Children's Cancer Society

Offers a transportation assistance fund to alleviate the financial burden of travel and lodging for families who have a child with cancer. Includes expenses for lodging when a child needs to stay near the hospital for treatment and nonprofit lodging is unavailable.

Ronald McDonald House Charities of Oregon & SW Washington

Lodging and food for families of children being treated at a hospital more than 30 miles from their home.

Mentorship

Candlelighters For Children With Cancer

The mission of the parent pilot mentorship program is to provide Candlelighters parents with unique understanding, encouragement, and support that only another parent who has walked a similar path can provide.

CoHeals

A free app for connecting and building relationships among families impacted by childhood cancer.

Children Brain Tumor Foundation

CBTF provides information about pediatric brain tumors, and provides emotional support through peer mentoring, virtual support groups and community events.

Connecting Champions

A nonprofit organization that asks kids and young adults with cancer, “What are you passionate about?” and then connects them with a local mentor for the cancer journey.

JoyRx

Trained, adult volunteer mentors provide emotional support to young patients in treatment and critical support to parents who endure the hardship of long hospital stays with their children.

The National Children’s Cancer Society

Offers a mentoring program that pairs a younger child in treatment (ages 10–17) with one of their scholarship recipients.

Pediatric Brain Tumor Foundation

Matches parents, caregivers, teens, and young adults with trained mentors who have experienced the challenges of a childhood brain tumor diagnosis.

Walk with Sally

Matches children ages 7–17 who have been impacted by a loved one’s cancer with an adult who’s had a similar experience.

Newly Diagnosed

Children's Oncology Group

A guide for the family of a newly diagnosis patient that includes information about cancer and treatment, when to call for help, visiting the emergency room, fever, managing symptoms, preventing infections, precautions during treatment, and giving medicines. Also available in Spanish and French.

Leukemia & Lymphoma Society

Order a workbook (or read chapters online) written specifically for parents and caregivers of a child with cancer, which includes information about caring for your child, treatment options, school, nutrition, financial and legal issues, and more. Worksheets are also available, covering topics ranging from emergency plans to appointment calendars to medication logs and beyond.

National Pediatric Cancer Foundation

A pediatric cancer toolkit with helpful information on record keeping, types of cancer, treatments, survivorship, and other resources.

Together

Information for the family of a newly diagnosed child, including types of pediatric cancer, clinical trials, what to bring to the hospital, talking to your child and about, and paying for cancer care.

Resource Directories

CureSearch Hope Portal

A searchable database providing access to a robust list of organizations around the country that offer information, support resources, and assistance to children with cancer, survivors, and their families.

Leukemia & Lymphoma Society

An extensive list of helpful resources for pediatric cancer patients and their families, including childhood cancer organizations, bereavement resources, educational resources, scholarships for students with cancer, and more.

Life with Cancer

A directory of resources for pediatric oncology patients and their families, including medical, emotional, and lifestyle support.

The National Children's Cancer Society

Offers helpful resources for pediatric cancer families, with resources covering advocacy and legislation, clinical trials, emotional and financial support, health insurance, survivorship, and more.

NeedyMeds

A directory of a variety of diagnosis-based assistance programs for childhood cancer, both nationally and state-specific.

Retreats

The Goodtimes Project

For eligible families in Washington, this three-day weekend retreat provides an opportunity to build connection in a fun and meaningful way.

Rett's Roost

Hosts online retreats for families that have battled pediatric cancer, including a Peace Post-Treatment Retreat and a Grief is Love Bereavement Retreat.

Scholarships

Candlelighters For Children With Cancer

Annual scholarships awarded to high school seniors or current college students who have previously been or are currently diagnosed with cancer and reside in Oregon or SW Washington, to support their pursuit of a higher education.

Cancer for College

Grants need-based scholarships and educational experiences to cancer survivors or cancer warriors who are enrolled in an accredited college or trade school, with a family income of less than \$150,000/year.

Children's Cancer Cause

Awards academic scholarships to childhood cancer survivors who demonstrate a commitment to cancer advocacy.

The Izzy Foundation

Offers academic scholarships to children nationwide who have been diagnosed with or treated for pediatric cancer, and their siblings. Scholarships are offered through both a K-12 category and a college category.

The National Children's Cancer Society

Awards scholarships each academic year to childhood cancer survivors under the age of 25 who were diagnosed before the age of 18 and are attending or accepted into a post secondary school in the U.S. for the upcoming academic year.

Sam Day Foundation

Supporting kids in the Beaverton, Oregon area.

Scholarships Cont.

National Collegiate Cancer Foundation

Offers \$1,000 competitive awards to cancer survivors or current patients ages 18–35 who are attending or planning to attend an accredited institution.

Ortlieb Foundation

Supports current and former cancer patients in achieving their academic and career pursuits with biannual scholarships for eligible applicants

Patient Advocate Foundation

Provides support to individuals who are legal residents of the U.S. and pursuing undergraduate or graduate studies, who have been diagnosed with or treated for a cancer or chronic disease.

Siblings

Alex's Lemonade Stand Foundation for Childhood Cancer

Provides support to siblings of children with cancer through SuperSibs, a mailing program dedicated to providing age-appropriate resources that offer coping skills, comfort, encouragement, and empowerment to siblings during their family's battle against childhood cancer.

American Cancer Society

A compact reference guide for parents to help siblings of children diagnosed with cancer.

Cancer.net

Resources, tips, and tools for parents to help healthy children cope when a sibling has cancer.

The Goodtimes Project

Offers a weekend ski camp for youth ages 11–17 whose sibling has been or was diagnosed with cancer.

National Cancer Institute

A free guide for teens who have a brother or sister with cancer. Covers ways to deal with changes, finding support and talking to friends, understanding what your sibling may be feeling, cancer and its treatments and side effects, life after treatment, and other resources.

Siblings Club

Candlelighters siblings club!

Sibling Support Project

A national program dedicated to the life-long and ever-changing concerns of siblings of people with special health, developmental, and mental health concerns. Resources include books and publications, online communities for teen and adult siblings, workshops, trainings, and local, in-person peer support groups for school-age siblings.

Support

Candlelighters for Children with Cancer

Monthly support groups for parents and caregivers of children with cancer.

American Childhood Cancer Organization

Offers free resources that can be shipped to families including a medical play kit, guides for children and parents, a children's DVD, journals for children and teens, a special cat stuffed animal that can help children learn about cancer treatments, children's books (also available in Spanish), books for parents, an emotional communication kit, and a coloring book. Online resources include a digital library with books for children, teens, and adults, an emotional communication kit, activity and coloring pages, an online support community for families and a listing of other resources.

Children's Cancer Therapy Development Institute

Resources that families can request include a peer support phone call, a phone call with the scientific director, and information on second opinion options.

Courageous Parents Network

Providing parents with the skills, tools and virtual support they need to cope and adapt during their child's illness journey so as to make the impossible possible.

Leukemia and Lymphoma Society

Resources include information specialists available for one-on-one conversations, an online community, online chats, peer-to-peer support, a podcast, one-on-one nutrition consultations, support groups, financial support, a suggested reading list, and a list of other resources.

Meningioma Mommas

Provides a support group for those affected by meningioma brain tumors, and supports medical research on the topic.

Support Cont.

Momcology

Peer support resources for families.

National Children's Cancer Society

Resources offered include financial support, case management through a Family Support program, a mentoring program where a child with cancer is matched with a mentor who is a young adult cancer survivor and scholarship recipient, scholarships for cancer survivors, publications, a Facebook group, and online information and resources.

The Cure Our Children Foundation

E-wing sarcoma support.

Together by St. Jude

Chai Lifeline

MaxLove Project

Teens & Young Adults

Candlelighters for Children with Cancer

Offers a youth group for teens/young adults ages 13-21 via a weekly online social meet up, and quarterly in-person social activities.

CHAP- Children's Healing Art Project

Programs include hospital programs that provide free art activities for hospitalized children and studio programs.

JoyRx

JoyRx Nature Program: At the Alexandra Ellis Caring Cabin on the Oregon Coast children in treatment and their families can enjoy a no-cost five-day retreat. The nature program also provides outings for teens.

Elephants and Tea

Teen Cancer America

Transportation Assistance

Air Care Alliance

Nationwide organization comprised of a network of volunteer pilot groups helping patients access free air transportation for distant medical care or supportive services.

Air Charity Network

Provides access for people in need who are seeking free air transportation to specialized healthcare facilities.

Alex's Lemonade Stand Foundation for Childhood Cancer

Offers a travel program to ensure children battling childhood cancer have the financial assistance needed to travel to clinical trials, experimental therapeutics, or treatment innovations not currently available at their local institution.

Angel Flight West

Helps arrange donated flights for people in need, providing them with safe passage to and from medical care. On the ground, Earth Angels drive passengers from the airport to the medical facility, also free of cost.

Compass to Care

Covers travel expenses across several categories for families who meet the eligibility criteria.

Corporate Angel Network

Helps cancer patients access the best treatment by arranging free travel on corporate aircraft. Participation is open to all cancer patients, as often as necessary, with no financial requirement.

Transportation Assistance Cont.

Leukemia & Lymphoma Society

Offers a travel assistance program to blood cancer patients with significant financial need to cover the cost of treatment-related travel and lodging expenses for the patient and caregiver.

Make a Wish

Travel for Oregon families

Make a Wish Washington

Travel for Washington families

Mercy Medical Angels

Removes the barrier to medical care with transportation on the ground and in the air for patients with financial need.

Miracle Flights

Offers free flights to those in need of life-changing medical care not available in their local communities by providing commercial plane tickets to all U.S.-based medical treatment facilities at no cost to families.

The National Children's Cancer Society

Offers a transportation assistance fund to alleviate the financial burden of travel and lodging for families who have a child with cancer. Includes transportation expenses such as mileage, airfare, and lodging when a child needs to stay near the hospital for treatment and nonprofit lodging is unavailable.

Patient Airlift Services

Free medical flights for people who need access to medical care that may be too far to get to by car.

Wigs & Hats

Angel Hair Foundation

Gives kids in Oregon who have lost hair due to medical illness or treatment an Angel Hair System for free. Angel Hair Systems are not wigs, but medical prosthetics attached to the head with medical adhesive, allowing children to play, sleep, and swim without worrying about their prosthesis falling off or slipping.

Caps for Kids

Provides children with cancer with a ball cap autographed by their favorite athlete, actor, singer, or other notable person of their choice.

The Magic Yarn Project

Offers one Magic Yarn wig free to the family of any child experiencing medical hair loss.

Wigs for Kids

Provides wigs to children experiencing hair loss due to medical conditions.

Wish Granting

Endure To Cure

Make-A-Wish Oregon

Dream Factory of Oregon

Children's Wish

Other

BEAT Riding Center

BEAT is a non-profit that provides the medically, emotionally, or physically challenged assisted therapeutic horse riding

Children Cancer Recovery Foundation

Bear-able gifts (board games, toys, etc), Camp Scholarships, and Housing Assistance.

Childhood Leukemia Foundation

Hope Binders, Hugs you wear, wish baskets, and Keeping Kids Connected iPads

Comfycozy's for Chemo

Free shirts that allow for easy port access.
